

Image Viewing Page — Important New Functions

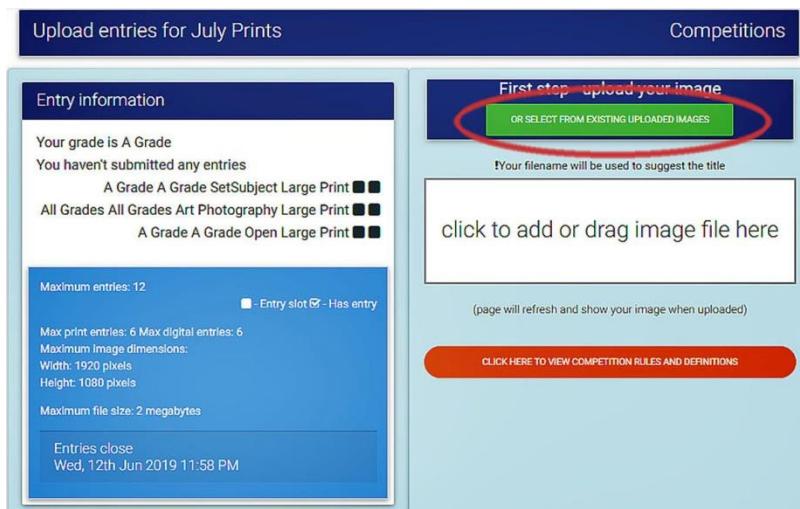

An Image Viewing Page is now available to members. It provides the following new functions:

1. View and comment on all your images uploaded in the current year, including external competition entries using MyPhotoClub
2. Filter uploaded images according to category or competition result
3. **Select an already uploaded image for re-entry in another competition.**

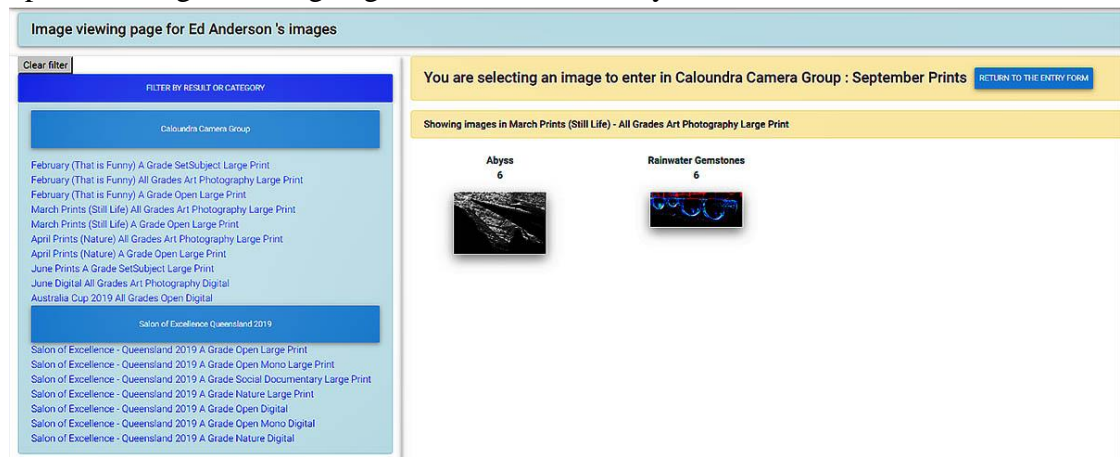

Accessing the Image Viewing Page

There are (at least) two ways to access the Image Viewing Page:

1. To simply view or comment on your images:
 - a. Click on the purple button at the top right of the screen showing your name, *e.g.* . This will open your Profile page. Click on the blue **VIEW ENTRIES** button. In this mode, you can only view or comment on the images.
2. To select an already uploaded image to enter it in a different competition:
 - a. On the Home Page, go to: **ENTER COMPETITIONS** — ... > **COMPETITIONS**
 - b. Click the  **Upload** link on the comp you want to enter. This opens the Upload Entries page:

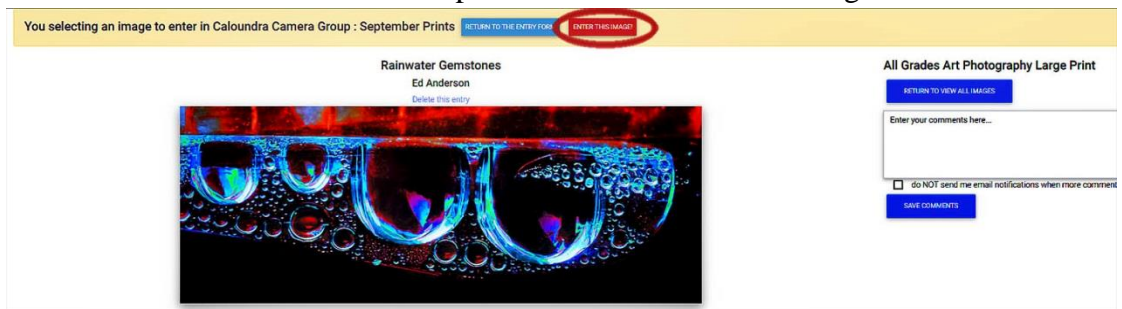

- c. Click on the green **OR SELECT FROM EXISTING UPLOADED IMAGES**. This will open the Image Viewing Page in selection for entry mode:

- d. Use the filters to find the image you want to re-enter and check its previous score

- e. Click on the thumbnail. This will open a full-size view of the image:

- f. Click on the red **ENTER THIS IMAGE!** button. This will return to the Upload Entries page with the selected image ready for submission.
